a candid witty and inspiring collection of essays from the bachelor's first black bachelorette exploring everything from relationships and love to politics and race the bachelor gave me an opportunity but I created my own happy ending rachel lindsay rose to prominence as the bachelor's first black bachelorette and has since become one of the franchise's most well

known figures and outspoken critics but there has always been more to Lindsay than meets the eye and in this book she finally tells her own story in her own words in wide ranging essays. Lindsay opens up about her experience on ABC's hit show and reveals everything about her life off camera from a childhood growing up in Dallas, Texas as the daughter of a U.S. District Judge to her disastrous dating life prior to appearing on *The Bachelor* to her career in law and the decision to become a reality TV contestant. She also brings a sharp wit and keen intellect to weigh in on issues such as the lack of diversity in reality television and the importance of political engagement, protest and the Black Lives Matter movement told in the down-to-earth, no-nonsense voice she's become known for. Lindsay's book of essays provides an intimate look at the life of one of reality TV's most beloved stars as well as advice and inspiration that will make her a role model for anyone who has ever struggled to find their way in love and life as she says contrary to popular belief the best gift I ever received was not a wedding ring, it was the permission I gave myself to be imperfect and if you don't believe her you know the saying miss me with that.

Sometimes the strongest souls come from the toughest adversities after facing years of verbal and physical abuse and repression at the hands of those whom she loved the most. Tamra Ross had nowhere else to turn except to her angels after breaking free from the toxic bonds of abuse. Tamra was finally able to fully immerse herself in the love of the angels around her when her guardian angel gave her a foreboding warning about pain to come. She had no choice but to hone her gift, trust in God and learn to find her purpose in the journey so she could perhaps once again be hopeful for tomorrow.
